RE: U.S. Patent Application Serial No.09/927,773
Our ref: 0240.02

Delora – thanks for speaking with me on the telephone this morning. I have attached a copy of the Updated Filing Receipt for the above-referenced application indicating "data inconsistent with PTO records", a copy of our application transmittal letter, and the cover sheet for the application. The first Filing Receipt mailed 09/17/2001 had the correct information on it; we were then sent an Updated Filing Receipt with the "inconsistent data" information.

We would appreciate your checking to see why the change was made, and have a new Filing Receipt issued as soon as possible. Thanks for your assistance.
